December 2018

## WORKS UPDATE – CARNWATH ROAD RIVERSIDE

Work at our Carnwath Road Riverside site is progressing well as we look ahead to the start of tunnelling in Spring 2019.

We have recently completed the reception tunnel, which will be used for the arrival of Millicent, the Tunnel Boring Machine (TBM) from our central site. We are continuing with the excavation and construction of our 55 metre long launch tunnel, and expect to complete these works by Christmas.

Above ground the installation of the spoil conveyor continues. Once in use, this will remove the spoil from tunnelling and load it onto our barges. Each barge movement equates to approximately 50 lorries removed from the local road network.

From Monday 10 December we will be installing 12 fenders to the river wall at the west of the site (River Wall 922). These works are to further protect this area and will last up to a week, taking place within our core hours.

Over the Christmas period the site will shut down on Monday 24 December and reopen on Thursday 27 December, working between 0800-1800hrs until Sunday 30 December. We will then break until 0800 on Thursday 3 January 2019. During this period we will continue to have a security presence on site.

*If you feel affected by Tideway's work, you can contact Tideway's Helpdesk and ask to speak to your local Mitigation and Compensation Lead, who will be able to advise you on the Independent Compensation Panel (ICP).*

## KEY INFO

### Duration of work

- Installation of fenders from 10 December for a week
- Excavation of launch tunnel complete by Christmas
- Installation of conveyor ongoing

### What we will do

- Continue to monitor noise, dust and vibration levels
- Use best practicable means to minimise noise and disruption

### Working hours

- Core hours: Mon-Fri 0800-1800, Sat 0800-1300
- Plant Maintenance: Sat 1300-1700, Sun 1000-1600
- Tunnelling activities: 24/7
- Loading barges: Mon-Fri 0700-2100, Sat 0800-1800
- Moving spoil from shed: Sat 1300-1800, Sun 1000-1600
- River wall welding: Mon-Fri 0700-2200, Sat 0800-1800
