June 2020

PUTNEY EMBANKMENT FORESHORE – 24-HOUR WORKING

As we continue to make progress at our Putney Embankment Foreshore site, we would like to let you know about a change to our working hours.

We will be starting some excavation works as part of the construction to the permanent foreshore structure and will be working on a 24-hour basis for 6 weeks.

These works will take place from Monday 29 June to Friday 7 August. Our working hours will be 07:00 Monday to 19:00 Friday and 08:00 to 18:00 on Saturday.

We have selected equipment to minimise any noise and do not anticipate these works to be intrusive.

If you feel affected by Tideway's work, you can contact Tideway's Helpdesk and ask to speak to your local Mitigation and Compensation Lead, who will then be able to support and advise you on the Independent Compensation Panel (ICP).

Tideway is happy to provide information in other languages and formats such as braille or large print. Please contact us: 08000 30 80 80 or helpdesk@tideway.london.

KEY INFO

Duration of work

- 24-hour working from Monday 29 June – Friday 7 August

What to expect

- 24-hour working for 6 weeks, five days a week
- Use of the site crane
- Occasional barge movements

What will we do?

- We will be live monitoring our noise levels
- Best practical means to minimise noise and continually review these methods to ensure they are effective
- Brief our teams regularly to keep noise to a minimum
