February 2021

## PUTNEY EMBANKMENT FORESHORE

We would like to update you on the services installation works taking place on Lower Richmond Road and Putney Embankment.

Phases 3 and 4 are now complete and the following phases will take place as below:

- Phase 1: Monday 1 March to Friday 12 March – two weeks
- Phase 2: Monday 15 March to Friday 26 March 21 – two weeks
- Phase 1.2: Monday 29 March to Friday 9 April – two weeks

Please see the map on the next page.

To support these works, one lane will be closed around the entrance of Putney Embankment. Parking cones will be put in place from 5pm on Saturday 27 February along the Lower Richmond Road. Further traffic management will be put in place on Sunday 28 February, Sunday 14 March and Sunday 28 March between 18:00 and 06:00. The traffic management works on Sunday 28 February will include some line marking. Depending on the weather this may require drying using thermal lance which will generate some noise which we will ensure is kept to a minimum.

Before we start these works, we need to carry out a site survey to identify existing utility services. When the survey is complete, the location of services will be marked out onto the road/footpath surface. This survey will take place on Sunday 28 February between 18:00 and 06:00 Monday 1 March.

The works are being carried out in phases to minimise the disruption to pedestrians and the Transport for London (TfL) bus routes. The Putney Pier bus stop, (bus stop Q), that runs eastbound towards Putney Bridge and Putney High Street will be temporarily closed and will be relocated on Lower Richmond Road adjacent to the Star & Garter Mansions.

Once the works have been completed the footpath and road surfaces will be reinstated.

## KEY INFO

### Duration of work

- 6 weeks – 1 March to 9 April

### What to expect

- Investigatory works
- Phased working
- Installation of power and communication cables

### What will we do?

- Minimise disruption to pedestrians and bus routes through careful management of the works
- Contact you if our plans change
