A home visit was carried out by the Panel on May 5<sup>th</sup> at 3 pm and site observations were made including lorry movements.</p> <p>Noise monitoring data and a number of videos were reviewed.</p> <p><b>The Panel has taken a very precautionary approach and makes an award of rehousing for 12 months from the date of this award. At a later date, the Panel will consider whether the award should be extended.</b></p>
