# CLOSURE OF BULL RING GATE ACCESS TO ROYAL HOSPITAL GROUND

**As part of our essential work to build London's new 'super sewer' we would like to inform you about a temporary closure of the Bull Ring Gate from Friday 26 August 2022 – March 2023.**

As part of our essential work to build London's new 'super sewer' the Bull Ring Gate on Chelsea Embankment will need to be closed from Friday 26 August 2022 – March 2023. The closure includes the pedestrian access gate to the Royal Hospital Grounds.

Please note that the 360 bus, which would normally stop at Bull Ring Gate, continues to be diverted and now stops by the Lister Hospital on Chelsea Bridge Road. The parking bays within the Bull Ring also remain suspended for the duration of these works. Bull Ring Gate is scheduled to reopen at the end of March 2023.
