## CARNWATH ROAD RIVERSIDE ACOUSTIC SHED REMOVAL AND CONCRETE BREAKING

We continue to make good progress with our works on the Carnwath Road Riverside site and the team are preparing for the next phase of works which includes the dismantling of the acoustic shed and concrete breaking.

The acoustic shed is shown in the photo above (white rectangular building)

The works include complete demolition of the building to slab level and removal of all debris from site.

The dismantling of the shed will start from 15 May 2023 and is expected to be completed by the middle of June 2023.

For the breakout work of the shed base, and surrounding area, work will be carried out as agreed with the local authority between 08:00 and 18:00, with periods of quiet hours. (Monday to Friday & Saturday 09:00 till 13:00). This concrete breaking work is expected to take approximately 7 weeks.

# INFORMATION SHEET

There will also be some additional operations on the surface between the hours of 08:00 and 22:00. Our works below ground will continue 24/7 until the middle of May 2023.

There may be extra noise associated with this work whilst we break the concrete and we will do all we can to minimise the noise and will monitor levels throughout.

We apologise in advance for any inconvenience this may cause you and encourage anyone who has any queries or concerns regarding our works on our Carnwath Road Riverside site to please contact the Tideway Helpdesk on 0800 030 8080 or at [helpdesk@tideway.london](mailto:helpdesk@tideway.london).

Some people are affected more than others by construction work such as noise and vibration. If you feel you may be affected by any of Tideway's work, including these activities, contact the Helpdesk - [helpdesk@tideway.london](mailto:helpdesk@tideway.london) - to discuss the support available through the Independent Compensation Panel process.
